Re: IGF::OT::IGF INVESTIGATIVE SERVICES FOR EEO COMPLAINTS

Dear FOIA Officer:

I am a commercial contractor trying to determine who I should contact within your agency concerning contract opportunities and have found several that appear to be coming up for re-solicitation. I am trying to make contact with the user of the services and with that I am told that the best way to receive this information is via the FOIA process and accordingly I am providing the following information:

Under the Freedom of Information Act, 5 U.S. C. sub-sections 552, I am requesting information regarding:

Contract number: GS15F0030K / EPG13500253

Award issued to: Resolution Services LLC

On the date of: 11/01/2013

Original Solicitation Number: (IF AVAILABLE) n/a

Contracting Official's name and contact (If available) Geoffrey and/or Claudea

Specifically I am trying to determine the name of the Government contact that is the end user and their associated contact information. I also would like a copy of the contract to Resolution Services LLC as well as subsequent amendments and modifications.

If there are any fees charged for searching or copying the records, please let me know before

you fill my request or, please supply the records without informing me of the cost if the fees do not exceed \$ 25, which I agree to pay.

Sincerely,
